Re: Petition by AT&T Communications of the South Central States, Inc.
and TCG Ohio for Arbitration of Certain Terms and Conditions of a
Proposed Agreement with BellSouth Telecommunications, Inc.
Pursuant to 47 U.S.C. Section 252
PSC 2000-465

Dear Mr. Dorman:

On July 20, 2001, AT&T and BellSouth jointly filed the interconnection agreement between the parties. The interconnection agreement contains language indicating that within certain timeframes, the parties will file language providing the terms and conditions in three areas:

--Attachment 3, Section 5.3.1.1, within sixty (60) days of executing the agreement (July 19, 2001), the parties will file language concerning compensation for traffic delivered to internet service providers—including giving effect to the FCC's April 27, 2001 Order on Remand¹,

--Attachment 2, Section 3.7.4.1, within seventy-five (75) days of the effective date (July 20, 2001), the parties will file language that incorporates a process improvement plan for "hot cuts", and

¹ *In the Matter of Implementation of the Local Competition Provision in the Telecommunications Act of 1996 and Intercarrier Compensation for ISP-Bound Traffic*, CC Docket Nos. 96-98 and 99-68, rel. April 27, 2001.

--Attachment 2, Section 3.9, the parties will file language concerning line sharing and line splitting consistent with this Commission's order in Administrative Case No. 382. The language will incorporate the Commission's order and the FCC's Orders in CC Docket Nos. 98-147 and 96-98, *In the Matter of Deployment of Wireline Services Offering Advanced Telecommunications Capability and Implementation of the Local Competition Provisions of the Telecommunications Act of 1996*, released on December 9, 1999 and January 19, 2001.

The parties are very close to finalizing the language in the first two areas but negotiations are not yet complete. Accordingly, by October 8, 2001, the parties will jointly file amendments incorporating language on compensation for traffic to internet service providers and the process improvement plan for "hot cuts".

Please do not hesitate to contact us with any questions.

Sincerely,

Creighton E. Mershon, Sr.
